

# Product introduction

Series **GREEN STAGE**

## ZERO STAGE Engine Oil 5W-30 API SN/CF

Gasoline engine oil without difficulty to clear each criteria enacted API.

It is a high-performance engine oil to exhibit the performance in all conditions, especially excellent Fuel economy and high temperature deposit inhibitory.

■ SN is high-performance, fuel-efficient engine oil to fits to all of the gasoline engine in existence.

Especially the best also for the turbocharged high performance engine and to exhibit without leaving the performance.

■ SN/CF, SL/CF is diesel combined type and performance also combines as a diesel engine oil.

### Typical Properties

Kinematic viscosity	mm <sup>2</sup> /s (cst) Kinematic @ 40° C	57.30
Kinematic viscosity	mm <sup>2</sup> /s (cst) Kinematic @100° C	9.709
Flash point (COC)	° C	220
Viscosity index		154
Pour point	° C	-39.0
Base number	mg KOH/g	5.51

### Features

■ Corresponds to a wide range of models

Set viscosity 5W30 is engine oil that demonstrates high fuel saving performance under various driving conditions, from urban areas to expressways, which can be used widely from compact caers to high output cars.

■ Excellent antioxidant stability

High-performance engine oil using full-synthetic base oil prevents oil deterioration under high temperature , and can expect high lubrication performance over period of time.

**Packing**

4 L can / 200 L drum

**ZERO STAGE**

1-3-38 Aramotonishi, Higashiosaka-city Osaka, Japan
